## A PENIS FOR LENA

**Dear PURELY 18,**

There was a girl in your dirty magazine recently who goes by the name Lena Nicole and I have some comments.

First I would like to make it clear that she has small boobs and that I very much like that. I like to suck on them and sometimes lightly graze their little nipples. It's pretty fun, you should try it sometime.

I was also quite interested in her pubic hair (at least that's what we called it back in the '80s). I noticed Miss Nicole has a small pubical crop growing above her important hole and I wonder if it grows that way naturally and why she doesn't get rid of it like so many other gals these days. I wonder if I would shave my pubic hair if I was a chick? Probably. I do it as a guy, so it only figures.

Now regarding this apparent trend (I've seen it many times in your magazine) of girls chewing on their own panties, I don't get it. Are they hungry? Are their pussy juices so delicious that they are happy to eat cotton-blended materials to taste them? If the latter is true, I want a taste of this girl's snatch, though I prefer mine straight, no chaser.

Perhaps the greatest joy I derived from Miss Nicole (other than her splendid beauty) was seeing her sink a dildo into what looks to be one tight hole. Do you know how many things I would like to stick in that hole? One! My cock. I think it's just what the girl needs, and I think I'm just the man to do it. And she can keep her little white ankle socks on, too, I don't care so long as I fuck her.

**Evan**
**Middlefield, NE**

***Dear Evan,***

*What's not to like about small tits? Nothing! Big, small, we like 'em all! As for Lena's pubies, we remember them fondly and are happy to see a bit of a bush comeback. It's nice to have some variety. You're correct that some girls do seem to like chewing on their panties, and if they weren't doing it themselves we'd be doing it for them anyway because their muffins are so tasty.*

## KEEN FOR MAYLENE

**Dear Michelle Maylene,**

Will you fuck me? I have long dick and would like to put it in your bald pussy and cum on your little tits. If you want to do it in the bathroom that's okay with me.

**Sterling**
**Nobuber, ND**

***Dear Sterling,***

*We like that you get straight to the point. We called Michelle and read her your letter and she said she will consider your offer. Next time she's in Delaware she'll look you up.*

## LEZZIE LOVE

**Dear PURELY 18,**

As a surprise I came home for spring break and no one was home when I got to the house, so after unpacking I decided to check the mailbox and do some straightening up around the house.

I never did straighten up the house.

In the mail that fateful day came a magazine in a plain grey wrapper. I thought I'd save my pops the bother of opening it, and you can probably imagine the shock on this college coed's face when I saw the cover. I couldn't believe how hot all the girls on the cover were. But what really got me hot was the photos of Nelly and Zara. I guess it's at this point I should let you in on a little secret: I'm a lesbian.

Sure, I've made it with plenty of guys, and still bang a dude just for fun occasionally, but there is nothing like the taste of a girl's sweet pussy juice or the feeling of having a girl between your legs. Guys, I'm sure you can agree with me on that one. But there's more: I had planned on telling my parents during my visit, and discovering that my dad was more familiar with girl-on-girl sex than I'd imagined was a great relief. I just knew Dad would understand.

With a few hours to spare before my parents would be home, I spent the afternoon both between the pages of your wonderful publication and in the cherished space between my legs. While plenty of the girls got me wet, it was seeing Nelly and Zara that really got me off. Gentlemen may prefer blondes, but I go for brunettes. Their great bodies and inspiring dildo play was nothing short of inspiring.

When my dad got home that night I left the magazine right on the top of the stack of mail. He was embarrassed at first, but I told him there was no reason for that—we had something in common: We both love girls! And I have to say, he and Mom were real cool about it. In fact, Dad bought me my very own subscription to your magazine. It's nice to have such thoughtful and understanding parents. Gosh, the girls in the dorm are going to be so jealous when I get my issue every month!

## SPANISH SEX DRIVE

**Dear PURELY 18,**

Rebeca Linares may well be the sexiest girl ever in your magazine. She is *muy* beautiful! I never expected to see her shoving a dildo in her horny snatch right there on a pool table! And I thought pool tables were only for playing pool. What's next? Seriously, I want to know. Maybe it's a Spanish thing. If so, book me a ticket to Spain!

# A Young Girl's Diary

**Dear Diary,**

Remember when I finally let Jason pop my cherry and then he went around telling everybody thinking he was so cool? Well, not only was he first, he was the worst!

Sure, I thought it was great at the time, but I didn't know anything. We only did it a few times—until I found out he was telling everybody everything that we did—and then I dumped him. Remember how for a long time I swore I'd never have sex with anyone again? Then I thought I would just be getting Jason back by sleeping around, but it's no longer about Jason—it's about sex!

The first guy I fucked was Mario, a guy from class, and he was amazing. Suddenly I realized that Jason was a waste of time in bed and that he had nothing to brag about. Once Mario and I screwed, I knew what was coming next: I was totally going to get slutty!

From that night on I've probably had sex with a dozen guys. I've fucked in parking lots, changing rooms, the bathroom at the school library and once on a rooftop. I'm not gonna lie, that was all great, but last night topped all others.

> **"I sucked like I've never sucked before, and I took almost all of it all the way down my throat and he came almost immediately!"**

Dennis is on the ski team and I've heard he's slept with lots of girls (and all reports were good, I must add), and recently we've been flirting a little and finally he asked me out last night. We were going to go to a movie, but there was nothing we were interested in seeing, so we went out to eat at an Italian restaurant.

We hadn't even been poured water before Dennis' hand was on my leg stroking softly. I was wet immediately and knew we were in for a good time.

He ordered a bottle of wine and we each sampled it and then I excused myself to the bathroom to powder my nose. When I came out, he was standing there. He took my hand, turned me around and leaned me against the wall, kissing me. We were there for a couple minutes and no one came around, so I decided to take his hand and led him into the ladies room and dropped to my knees and unbuttoned his pants. If he was shocked he didn't show it, and I sucked like I've never sucked before. I'd never seen such a perfect cock. It was long but not too long, thick but not too thick, and I took almost all of it all the way down my throat. Suddenly there was some knocking on the door and I pulled him out of my mouth and said I'd be just a minute. I was still stroking his dick and I looked at him and he said, "I guess we should wrap this up quick, eh?" I nodded and put him back in my mouth and he came almost immediately.

The woman waiting for the bathroom gave us a look when we came out, but I didn't care. When we got back to the table Dennis reached over and wiped a little slice of his batter off my chin. He went to wipe it on a napkin and I was all, "No way, Jose!" and I opened my mouth and stuck out my tongue and he gently wiped it on my tongue. It was so romantic.

Maybe Italian food is an aphrodisiac, or maybe Dennis and I just had amazing chemistry, but I don't think I've ever eaten so quickly. We got back to his car and immediately we jumped in the backseat and totally did it. He was so good, the windows were all fogged up and I was just bent over and he railed me like I've never been railed. It was awesome! He came on my ass and we wiped it up with my panties. We went to his place after that and did it again, this time in his bed. I left him my panties, I told him it was a gift commemorating the greatest sex I ever had.

**Dear Diary,**

Apparently the greatest sex ever is only a matter of experience, because I'm pretty sure I just topped my night with Dennis. This time I hooked up with Erick, a guy I met in a bar. I won't say which bar because he's kind of secretive. See, he was on one of those reality shows and he was the good-looking one so all the girls in the bar were trying to get a piece of him. Well, I pushed my way through the small crowd and introduced myself and said, "We both know that all these girls want to fuck you, but I think if you slip your hand up my skirt you'll find I have something the rest of these sluts don't." He feigned conversation as he nonchalantly slipped a hand up my short skirt and his middle finger inside my already-wet pussy.

"Where should we go?" he asked after getting his feel.

"I don't give a shit," I said, "I'll fuck you right here on the bar."

He said he couldn't really do that, as he had a reputation to uphold. He asked where I lived and if anyone was home. I told him where and no, and he asked the bartender to call a taxi.

We practically screwed right there in the back of the taxi, and he spent most of the time with his head under my skirt, licking my pussy like a professional pussy-licker. Do they have professional pussy-lickers? I suppose they do in

porno, right? Like fluffers. I'll have to look into that. Anyway, he paid the fare and tipped the driver real good. Instead of waiting to get to my apartment, we did it right there in the elevator. I was turned around and pressed against the mirrored wall and he just nailed me and nailed me until it started moving up and we had no idea where it was going to stop, but we were both about to cum and we weren't stopping for anything. Fortunately we had 23 floors to get off, and I came around the 10th and he blasted his jizz on my ass at about 18. He zipped up his pants real quick and I just pulled my skirt down, unconcerned about the cum covering my ass. I can always wash the skirt.

When we got off the elevator I'm sure it smelled of sex, but we didn't care. The couple getting onto the elevator didn't pay us any mind and we just waited for the next elevator and went back to my place.

By then I was all sticky, so I told Erick that I wanted to take a shower and asked if he might want to join me. He was naked almost before I got the question out, and his cock was hard immediately. I knew what that meant: shower sex!

As soon as we got in, he lathered me up and cleaned his cum off my ass, then he asked me if I wanted some more. I guess the look in my eyes said it all, because I didn't say a word and he was bending me over the nozzle end of the shower, so the water was cascading down my back. He pulled my cheeks apart and slowly slid into my soaking wet pussy. He took it slowly (since water can actually wash away your natural lubrication), but soon it didn't matter because I was real wet and he was slamming me good. His cock felt so good in my twat that I came quickly, and then again. Such a gentleman, he asked me if he could cum in my pussy. While I usually don't let guys do that, I felt like he earned it with so much great sex, so I let him. What the heck, I'm on the pill anyway, so it's not like anything is going to happen.

The next morning I had brunch with some girlfriends and they all could tell that I had amazing sex the night before—I just radiated with it.I know they were totally jealous. And they should be. Being slutty is fun!

NAUGHTY COLLEGE SCHOOL GIRLS #47
DIRECTED BY GREG LANSKY

*THERE have been naughty college school girls almost since the beginning of time, it only took technology and the right producers and directors to expose them to the masses. And expose them they have!*

*Five girls, five guys. It doesn't take a math-magician to figure out how that's going to add up. All 18, these girls have some experience, but here they are with big-dicked pros who are going to teach them the ins and outs—quite literally—of getting fucked. We find them after classes have ended, and they are horned up for some XXX-tracurricular activities. And that's exactly what they're going to get.*

## MISSY STONE

**Age: 18**
**Ht: 5′ 3″**
**Wt: 100**
**Cock: Marco Banderas**

Missy is as dirty as she is beautiful, which is saying something, because this covergirl is hot stuff all the way. Long, straight brunette hair, shaved and pierced snatch that she's full-on fondling when Marco walks into the room. Needless to say he likes what he sees and soon her spare hand is undoing his pants and stroking his lengthy meat stick. Her lips are tight around his tool as she slides it in and out of her mouth. She lubes it up good, knowing exactly where it's going next.

He bends her over on her bed, pulls aside her white panties and slowly works his big dick into her tight twat. She grunts and groans in pleasure, getting louder as her pussy wettens and widens. Soon she is calling for him to fuck her harder, which he does, ramming his rod into her ever-widening snatch. Soon he is buried balls-deep and she continues to demand it harder. He pulls out, she takes off her panties and he ditches his pesky clothes. Giving her some control, he lets her climb on top and she takes the cock, the whole cock and nothing but the cock. She holds up her skirt as she bounces so we can see her pussy engulf his manhood.

For cum it's facial all the way. Her mouth may be as open as her big eyes, but clear strands run across her cheeks and she's happy to rub it in, making her pretty mug glossy with its fresh coat of cum.

## HANNAH WEST

**Age: 18**
**Ht: 5′ 6″**
**Wt: 122**
**Cock: Alex Gonz**

When Alex happens upon Hannah she is innocently fingering herself on the living room couch. One finger, then two, and then she does the same to her ass. Alex has excellent timing.

Wordlessly he feels her ass cheeks then

spreads them and rims her. She turns and sucks his cock as he removes his clothes in anticipation. Good move, because next stop is her hungry snatch. After a quick taste-test he slides it in and immediately she shouts, "Harder, please! Fuck me, please!" Her small titties jiggle as she looks up at him desperately, as though she's been thinking about this every day for at least a week or even more. Her pussy lips expand as he picks up the pace, and she just can't get it hard enough. "Fucking rail me! Fucking rail me!" she insists, curled up so she can watch his cock slamming into her pink spot.

When he nails her from behind it's more of the same—Hannah moaning loudly and asking for it harder. Alex gives her everything he's got as she reaches back, pulling her ass cheeks apart. This gives Alex an idea—what about nailing that sweet little ass? She cums loudly and then tells him, "Rail me in my ass just like that." Great minds think alike, and in no time he's repeating the sequence with her ass.

The ass gets Alex's rocks off, and he blasts

## SUMMER VERONA

**Age: 18**
**Ht: 5′ 6″**
**Wt: 126**
**Cock: Mark Ashley**

Summer is one of those girls who, at first glance, seems a terribly unlikely porn star. So cute and innocent. But further inspection reveals a body built for fucking and an attitude that is porno all the way. That's when they call in the pros like Mark Ashley.

He gives her the tip and she does her clit with two fingers, asking him to "tease me." So he moves in slowly, an inch at a time, and by the time he's three-quarters of the way in she's screaming in delight, ready to take it all. She continues her clit play and soon cums, her pussy tightening around his cock. "You like fucking the pussy?" she asks. "Huh, you like fucking that young pussy?" He answers by fucking her harder, and again she cums.

Summer gets on top and Mark simply holds her in place, one hand on a bare and jiggly ass cheek, the other pulling her panties to the side as he jackhammers her, filling her special spot with the best cock she's ever felt. He lets her ride for a while, and she cums quickly, telling him, "This dick's so fucking good!"

Mark seems to feel the same way about her cunt, because when he cums he blows a massive load that gets her mouth, her face, and her tits, all in great quantity. Lesson learned.

## TAYLOR MAE

**Age: 18**
**Ht; 5′ 6″**
**Wt: 118**
**Cock: Alex Gonz**

Taylor has a beautiful pussy and it's understandable that she just can't leave it alone. She's in mid-fondle when Alex walks in (man, this guy has great timing!) and he takes over pussy-pleasing duties. He flicks and fingers as she grapples for his pecker. But soon it's out of reach as she takes a tongue-tour of her meaty pussy lips. Before he's even pulled his cock out she's cum on his fingers.

Finally allowed to feel his cock, she starts off on top and rides him hard. Looking

back toward the camera she asks him to fuck her harder. His dick rams inside her beefy twat and she grinds down to feel every possible centimeter of his hardness. As he nails her he massages the outer limits of her back door. "Faster, faster!" she calls out as she cums on his cock. Soon his finger finds its way into her ass and she loves the sensation.

When she bends over for him one wonders if he might just plunder that booty, but Alex is satisfied with her beautiful snatch and pounds her good. "Oh, fuck me!" she hollers, bent over with her ass in the air. "You like that? Oh, fuck that little hole! Fuck me!"

She's just as demanding when she wants his cum, and he splatters her face and neck with his white stuff before she sucks him clean, jerking him good as though she's ready for round two.

---

## SASCHA SIN

**Age: 18**
**Ht: 5′ 4″**
**Wt: 107**
**Cock: Jordan Ash**

Sascha can't keep her hands off her puffy snatch, and Jordan's entrance does nothing to stop her. He fingers and massages that fat puss and knows it's ready for some dick action. They dump the panties and then she bends over on the couch and he sinks his meat into her student body. His fingers dig in to her ass cheeks as she makes room for his wrecking stick. "I like your big cock," she tells him through his moans. He pulls out and has her taste her pussy off his dick.

Time for Sascha to do a little work, so he sticks her on top and she rides like a rodeo champ, hanging on as her full tits bounce in circles. Her lips sneak out of her puffiness as they wrap tightly around his penis. "Yes, yes, yes," she says in a fading tone before she bursts out with loud moans as she cums on his cock.

What gets Jordan off is turning her around so he can look her in the eyes and paw her tits. She asks if she'll swallow his cum, and she says she will. Soon she finds herself on her knees jerking him off into her mouth. He pulls out and she opens her mouth for the whole world to see the massive load she just took. She sure learned her three R's today: Riding, reaming and…well, a girl can't learn everything in one day!.
